- Scientific Information Management
- Social Programs
- Strategic Communications
- Transportation

GSA's contract vehicle for complex professional services

GSA OASIS+ Unrestricted provides flexibility, speed, and access to a broad scope of work through domain areas tailored to your agency's specific needs. OASIS+ is designed for multi-disciplinary solutions that can include supporting IT. The low contract access fee of 0.15% makes OASIS+ the best value option for professional services contracting. OASIS+ is designated by OMB as a Best-in-Class contract for professional services.

ICF's OASIS+ Domain Areas

OASIS+ domains are designed to target your task order competitions to pre-qualified groups of industry partners that have demonstrated success and high customer satisfaction in each specialty area. Each domain includes an array of applicable NAICS codes. ICF holds all NAICS codes in the OASIS+ Unrestricted contract domains below.

**Management
& Advisory**

**Technical &
Engineering**

**Research &
Development**

**Intelligence
Services**

Environmental

Facilities

Logistics

Using the GSA OASIS+ Contract

Customers: OASIS+ is available to all federal civilian and defense agencies.

ICF Contract Number: 47QRCA25DU159

Ordering Period: 12/17/2024 – 12/16/2034. Task orders can run until 12/16/2039.

Ceiling: OASIS+ does not have a contract ceiling.

Task Order Types: Time & Materials, Fixed Price, Cost Reimbursable, and Hybrid

Contract Access Fee: 0.15% (compare to the GSA Schedules fee of 0.75%)

Scope: Multi-disciplinary scope can span domain areas, include supporting IT, and incorporate flexible ODCs and subcontracting. Each task order will fall into the domain of predominant focus and be competed among the domain's contract holders.

Domains: Management & Advisory, Technical & Engineering, Research & Development, Intelligence Services, Environmental, Facilities, and Logistics. ICF holds all NAICS CLINS in each of these domains.

Location: CONUS and OCONUS

Clearances: Any clearance level

Labor Categories: Hundreds of flexible labor categories based on Bureau of Labor Statistics job classifications; task orders can include their specific labor categories as well.

Protest Rules: No GAO protests on task order awards under \$10M.

For information on how to use the contract, delegated procurement authority, and additional details, contact see <https://www.gsa.gov/oasis-plus/>.
