# Give back to the community

Are you ready to make a difference in the lives of children in need? Join ICF and Salt River Project for an inspiring afternoon of community service, on **Monday, October 2 | 4:00 - 5:30 p.m.** at the Grand Coronado in the [Scottsdale Resort at McCormick Ranch](#)

ICF is committed to serving the communities where we live and work—and building a more prosperous and resilient world for all. At this year's Utility Leaders Summit, we invite you to be part of a special event that will benefit children in Arizona transitioning into foster care.

## What we'll do together

We'll be partnering with **Arizona Helping Hands** and **HandsOn Greater Phoenix** to fill backpacks with essential hygiene items. Often, children entering foster care leave their homes with nothing, or just what they can carry in a pillowcase. Let's change that by providing them with much-needed essentials and a sense of comfort.

## Why you should join

**Make an impact:** Your contribution will directly improve the lives of children in foster care, offering them hope and support during a challenging time.

**Connect with the community:** Meet like-minded individuals who share your passion for giving back.

**Learn and grow:** HandsOn Greater Phoenix will provide a brief "listen and learn" overview of the organization we are supporting, Arizona Helping Hands. Get to know the incredible work they do to uplift children in need.

**Together, we can make a positive change in the lives of these deserving children. Your participation matters!**
