

→ ICF Supplier Hub: View Registration Status

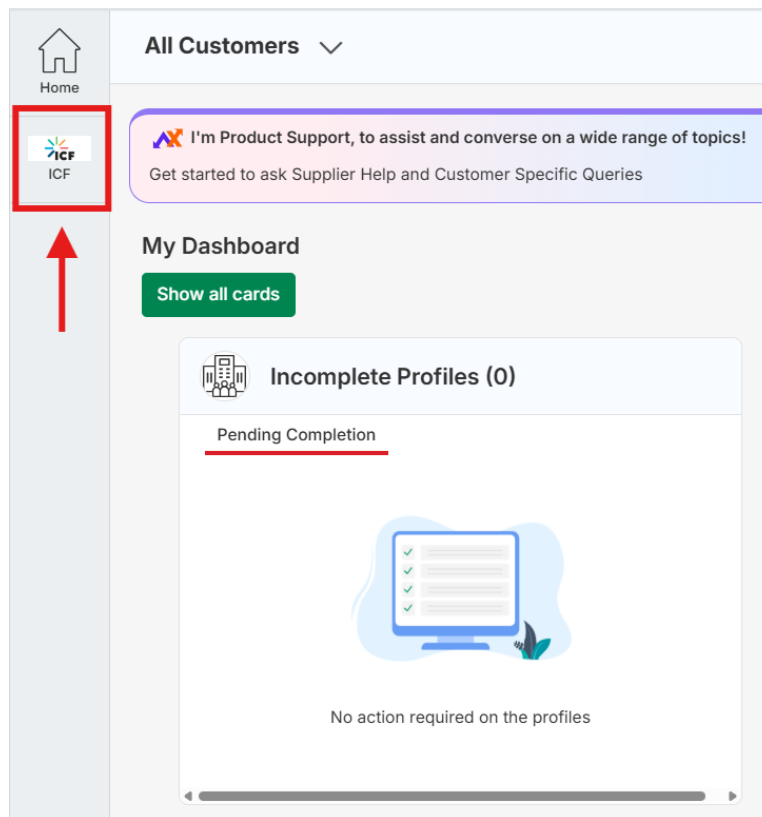

Purpose: The purpose of this job aid is to show suppliers how to view their registration status in the system, track the progress of their registration, and confirm whether their registration has been approved or is still pending.

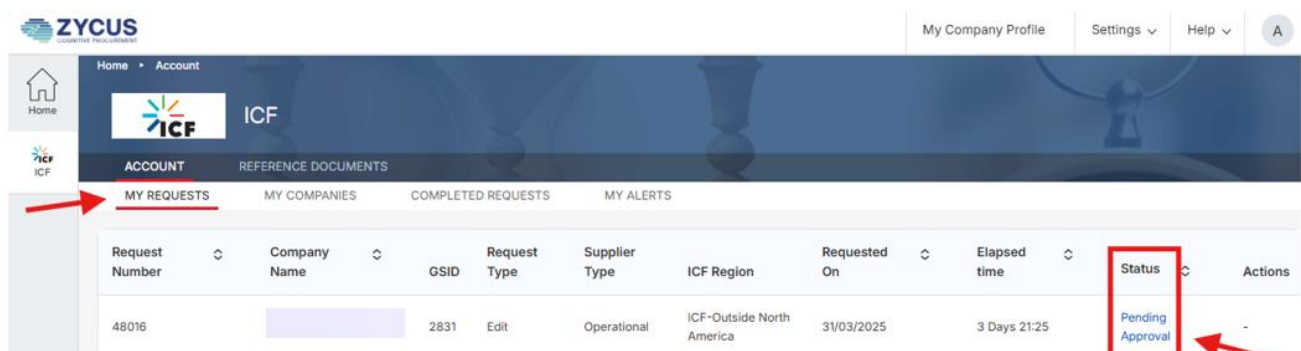

1. To view your registration status in the system, log in to the Zycus Supplier Network (ZSN) portal with the email address you used to register and the password you created through this link: <https://dewdrops.zycus.com/zsp/guest/genericRegister/ICF225>

A screenshot of the Zycus Supplier Network (ZSN) login page. The page has a dark blue background with a faint image of a smiling woman. At the top left is the ZSN logo, and next to it is the text 'Zycus Supplier Network'. Below this is a white box containing the login form. The form has a title 'Existing User? Log in with Password or OTP'. It includes two input fields: 'Email Address' with the placeholder text 'Type your email address here' and 'Password' with the placeholder text 'Type password here' and a toggle icon. Below the password field is a link that says 'Forgot Password'. At the bottom of the form is a green 'Login' button, followed by the word 'Or' and a white 'Login via OTP' button. Red rectangles are drawn around the Email Address field, the Password field, the Login button, and the Login via OTP button.

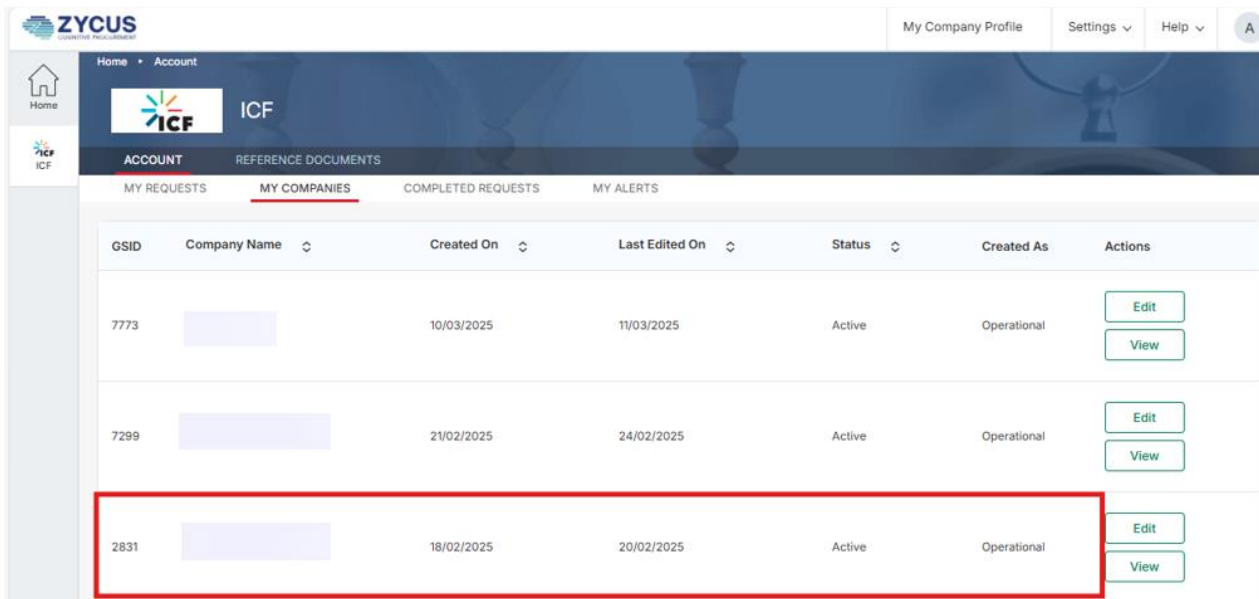

2. On the **My Dashboard** screen, click on the **ICF** icon located in the top left corner.

3. Under the **MY REQUESTS** tab, view requests that are in progress.
- 3.1. If your company is still showing under this tab, the updated information is in the process of being verified by ICF. Once the changes have been verified and approved by ICF, the company information will no longer be displayed under the **MY REQUESTS** tab.

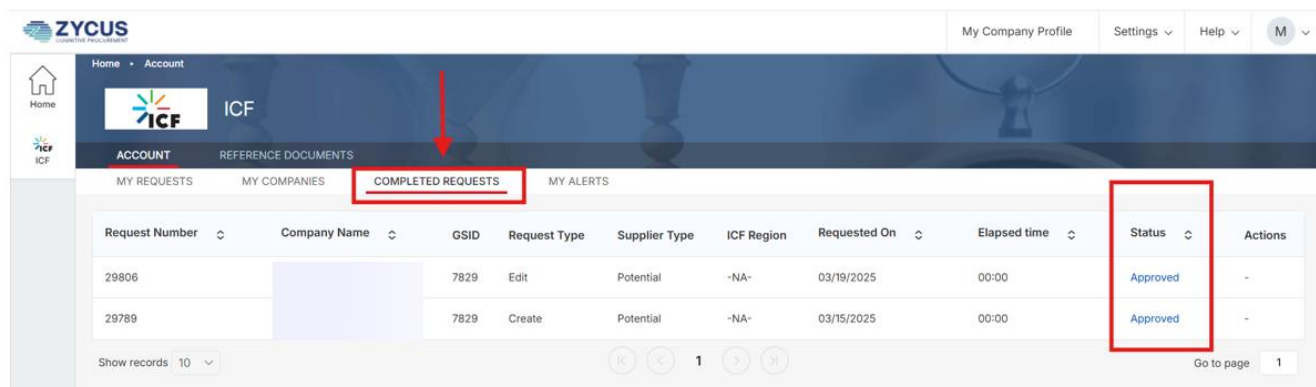

4. View your company status under the **MY COMPANIES** tab.
