ICF COVID-19 Monitor Survey of U.S. Adults
Wave 1

Informed Consent
You are invited to take part in a research study, conducted by the survey research organization ICF. Your answers will help us understand current health and economic needs across the United States. The results will be used by ICF to evaluate public perceptions and may be shared with government agencies to inform programs and policies.

Your participation is voluntary. There is no penalty if you do not participate. You can skip questions you don’t want to answer or end the survey at any time. The survey should take no more than 20 minutes to complete and your responses are confidential. This survey has been reviewed by ICF’s Institutional Review Board (IRB) for the Protection of Human Subjects and involves no foreseeable risk to participants. If you have any questions about the survey or about research subjects’ rights, please contact ICF’s Project Director, Thomas Brassell, at covid19survey@icfsurvey.com.

If you consent to participate, please select “Yes, I consent” below.
